The year 1978, a year full of excitement, from the beginning to the end. This book is filled with pictures, pictures of people who made that excitement at L.H.S. So for now let us glimpse at the past and think of those times spent in those halls, rooms, and outdoors of L.H.S.

Shall we tango?

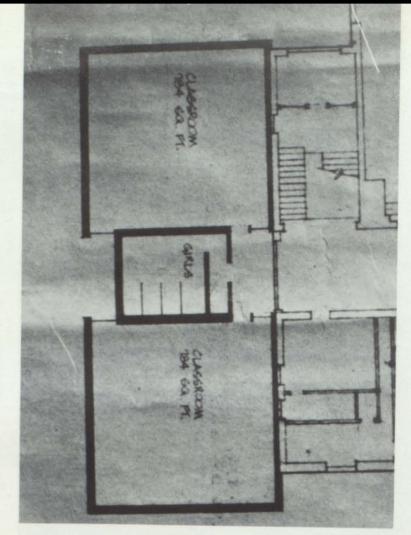

Did you hear about . . .

Concentration!

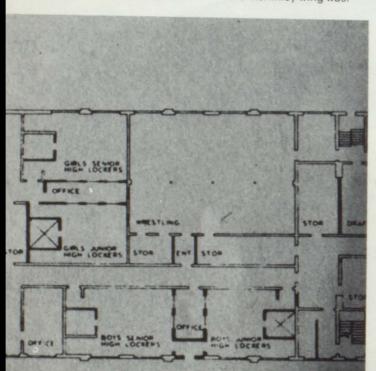

FACE LIFT FOR LINCOLN

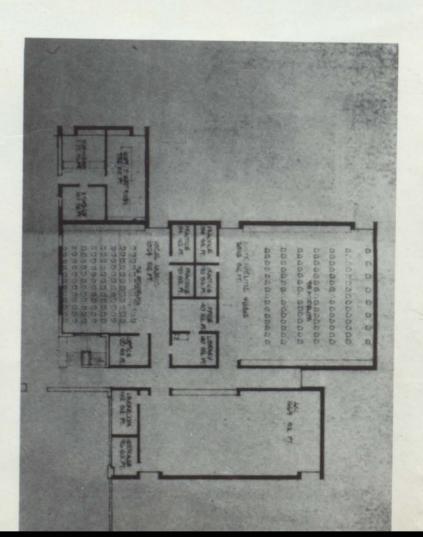

Classrooms added on to side of high school building.

Construction workers working on construction of the six classrooms off of the high school.

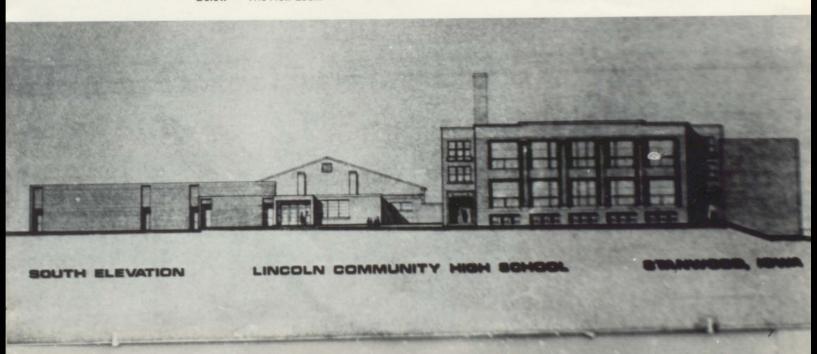

Below - The New Look.

With the Bond issue vote on December 6, 1977, the high school at Stanwood will never be the same.

The bond issue called for the tearing down of the McKinley wing commonly called the Jr. High and replacing it with new band, chorus, art, and administrative rooms. On the other end of the school (the east side) there will be the addition of six classrooms. Also the area where the band room is will be a wrestling room, and enlarged boys and girls locker rooms will be included.

Construction on the six classrooms began April 24, 1978, with the tearing down of the Jr. High being scheduled for May 30.

We will all miss the old McKinley building, but when we think of those new facilities we've got to admit that it sounds pretty good.

NEW REPLACES OLD

The students and faculty at Lincoln will finally be getting the track and field they have long been waiting for.

On September 13, 1977 the constituents of Stanwood and Mechanicsville voted to sell three school owned houses to pay for the cost of rebuilding the football field and constructing a new 400 meter track. It would also pay for new bleachers on the home side and moving the old home bleachers to the visitor's side.

Construction began in early November and was to be completed by spring for the track season. But because of bad weather it was not. The project will hopefully be completed for the football season in the fall.

INTO THE WORLD

ARKANSAS 1978

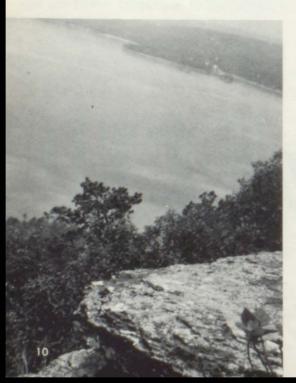

The night after graduation to most seniors means parties and getting a lot of sleep. Not so for the Lincoln class of 1978. At 12:30 on May 21st, well actually May 22nd, they departed for their class trip to Fairfield Bay, Arkansas.

The first day spent mainly riding the bus. Although the scenery in Arkansas was spectacular, it did make everyone a little grumpy riding 15 hours on a bus.

When everyone arrived at the resort, most of the time was spent shopping for food or swimming. With everyone being tired the beds really felt good that night.

The next day you couldn't have asked for better weather, most was spent most of the time in the water, either boating, swimming, or water skiing. Believe everyone had the burns to prove it.

Night time was spent with sponsors, Mr. and Mrs. Kirkton, Mrs. Grimmand, Mr. Proctor checking on those who were sick from the sun. Later on there were a few late night skinny dippers.

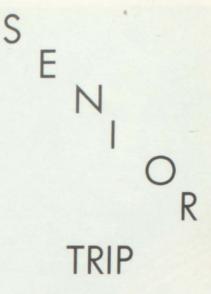

Kris Metzner eating hearty.

O-o-O-h, those long bus rides.

Above — Enjoying the pool.

Left — Hang on tight Gerald.

Bottom Left — Sleeping it off.

Bottom Right — One of our loyal sponsors.

The ride home was a long 14 hours mainly because of sunburns, but I think if you would ask any seniors about the trip they would tell you it was one to remember.

That's concentration!

For the third year in a row, Mr. Wendel has drawn up the blueprints for another building and trades house. The seniors are interviewed and chosen by Mr. Wendel while they are juniors. There are 15 in the class.

This year as a new idea, the interior design class helped to pick out the furnishings for the house.

With the help of some people and businesses from Mechanicsville and Stanwood supplying some of the needed materials and services for the house, the building and trades house has been a success once again.

Don't look at the camera, just keep your eye on what you're doing!

Should I smile?

All the way from Basel, Switzerland, came a happy-go-lucky girl, Kristin Metzner, one of Lincoln's two foreign exchange students. Kristin's American family was Mr. and Mrs. Louis Grimm and family.

Kristin kept herself busy during the year with such courses as American lit, educational aide, typing, art, biology, government, advanced algebra and later advanced math, American history, P.E. and beginning clothing.

Kristin's extra-curriculars included volleyball, basketball, track, and a part in "Get Smart," the spring drama production.

For hobbies, Kristin enjoys art, crafts, and skiing.

When she returns to Switzerland, she will complete two more years of school and then possibly go on to college there after that.

When questioned about what she liked most about America, Kristin remarked, "Happy Joe's pizza!" Good luck to you, Kristin, in the future from all of us at LHS. We hope your stay in America was enjoyable.

Belen and her American family: John, Sara, Anne, Belen, Jane and Donna Kuehnle.

Caught ya' in the act!

What's so funny?

Lighting up the halls of LHS this year was our other foreign student, the little Spaniard with her dancing Spanish eyes, and ringing laughter, Belen Sainz de Vicuna from Madrid, Spain. Her American family was Mr. and Mrs. John Kuehnle and family.

Besides goofing off, or eating at Happy Joe's you would find Belen keeping herself busy in school with government, American history, advanced biology, art, chorus, advanced math, P.E. mythology, and drama. Besides this Belen found time to participate in track, basketball, speech contests, small group music contests, and the spring play, "Get Smart."

In her leisure time Belen can be found playing the piano which she has been at for eight years, playing the guitar, drawing and eating.

Her plans upon returning to Spain are to take up veterinary medicine at a college in Madrid.

Belen commented that her favorite American foods were pies and American style corn. She also remarked that America was **too** cold!

LHS wishes you much success in all your endeavors, Belen, and we hope your stay in America has been an enjoyable one.

"Looks like we Made It!" That sounds like something the Seniors would say after graduation. Instead this was the theme for the

Junior-Senior Prom.

Lincoln's Prom was held at the Sheraton Inn in Cedar Rapids, Saturday April 22.

We were welcomed by the Junior Class President, John Moneypenny. Kerry Koch, the Senior Class President, gave the response. After Jeff Schnipkoweit gave the invocation it was time to eat. After our meal, Jeff Walshire and Jeff Schnipkoweit read the Junior Class Prophecy. Bruce Seehusen and Russ Bequeaith read the Senior Class Will.

About this time the band, which was Locust, started to play. Even though they didn't play the theme song they played some good music. At 10:30 an early bus left to take the people who didn't want to stay back home. The other bus left at 12:30.

Usually after Prom a movie is held at the Tipton Theatre. This year the Juniors decided to try something different. They rented the Tipton Country Club. After Prom you could go there and play cards or pool, or even get the teachers together and play charades!

Prom, as always, turned out to be one of the most special memories of the year.

CLASS OFFICERS

The job of the class officers at Lincoln ranges from easy to very time consuming and frustrating.

From 7th through 10th grade the job of the class officers is fairly easy consisting mainly of organizing the class money making projects,

class float, and class party - if any.

The junior class officers have a very hard job — that of organizing a prom for the junior and senior classes. Committees are usually appointed but it is up to the officers to be sure the committees are working. The junior class officers still have the job of organizing money making projects, class float, etc. to add to their burden.

The senior class officers have probably the hardest job of all class officers. Senior class trip must be worked on year round. Graduation invitations, colors, and a theme must be decided upon. This is a big job when you have to satisfy 50-60 people and everybody wants their own way since it is their last year in school.

The job of the class officers is hard and a sigh of relief is given when the year is over. Most officers will say 'never again' but return the next year to do it all over again.

Homecoming candidates with 76-77 king and queen, 67-68 queen and prince and princess.

One of the many float entries.

A special high point of the 77-78 school year as it has always been, was homecoming, which was the week of October 3-7.

Candidates chosen by the student body ahead of time, were Roxanne Ruchotzke, Kerry Koch, Mary Butler, Bruce Seehusen, Carol Pruess, Russell Bequeaith, Nancy Weber, and Kent Williams. The 76-77 queen and king, Lynn McCullough and Steve Flockhart, along with the ten year queen of 1967-68, Wanda Farrington, were present to help celebrate in the festivities.

During homecoming week, the students showed their school spirit by partaking in special dress-up days. One day it was pajama day; another was 50's day. Hat day was next and of course Friday was black and white day. There was much enthusiasm shown as the whole football team and coaches, along with the

student body and some teachers participated in the effort to bring out school spirit.

With the dawning of Thursday, October 6, came the parade at Mechanic-sville. After all the floats had been exhibited and the parade was over, the enthusiastic crowd moved down to the base-ball diamond.

Here the candidates gave their skit, which turned out to be a satire about the upcoming game with Preston on Friday.

Following the presentation, the king, the queen, Kerry Koch and Roxanne Ruchotzke were announced. Kerry and Roxanne would preside over the remaining homecoming festivities. Todd Kirkton and Stephanie Taylor were selected as the prince and princess. The bonfire was started and the Panther fans were led in cheers by the cheerleaders and football boys.

Spirits were high on Friday, October 7. The Panthers faced Preston. Unfortunately the weather didn't hold up so the game was played Saturday, October 8 instead. At halftime the score was 20-8 with Lincoln ahead. The sophomore class was announced as the recipients of the first prize in the float competition sponsored by the Pep Club. The candidates were once again

presented.

Lincoln won the game with the final score being Lincoln; 32 to Preston's 8 points.

As a new feature of homecoming, members of the 1973 previous unbeaten Mid East Football lowa Champions team were guests of the athletic department and student council and had an informal gathering after the game with their coach, Mr. Wendel.

The dance was held on Friday, October 7 with "Night Flight" providing music for the evening.

The Student Council sponsored a new activity during Christmas this year. It was called the "Snowball Dance" and it was for high school kids exclusively. That was really a switch that no junior high students were accepted, but it really turned out great. Everyone there had a lot of fun.

There was a live band that played and there were decorations everywhere with a Christmas tree and greenery. Along with Christmas lights and crepe paper.

The Snowball dance was a big success as the student council did a terrific job at putting it on!

Paul (Cam Coppess), with his puppets.

Lili, (Mary Butler), and the puppets Carrot Top and Horrible Henry.

In the musical "Carnival," songs like "Love Makes The World Go Round," and "Direct From Vienna" create a mood that takes the audience to a small carnival in France. The magic of the carnival lures the main young girl, Lili, to the lights of the big tent.

There she meets Marco the Magnificent and becomes entranced with his magic. She yearns to be part of the carnival but is a failure at everything she tries, until she meets Carrot Top and his puppet friends from the puppet show. With Lili's help the puppet show becomes the major attraction. Paul, the puppetmaster, falls in love with Lili but cannot express his feelings because he is full of self-pity. Rosalie and Marco are united, and Lili finally realizes that Paul, through the puppets, is not the bitter man she believed him to be, and goes to him. The music plays and the Carnival moves on.

Mini Courses were held the week of March 13-17. There was a total of 87 interesting courses offered. For the people who like to eat there was pizza making, crepe making, taco making, and ice cream and toppings. For the energetic crowd there was tennis, swimming, bike hikes, horseback riding, fishing, etc. . . . There were several trips offered this year, one of them was the 8th grade trip to Chicago. There was also the week long bike trip, the camp-out and backpack at Mississippi Palisades, and camping at Mississippi Palisades.

The 1977 High School Softball team played a total of 20 games during the season. Overall they won 6 games and lost 14. In their Conference they won 4 games and lost 6.

The five top hitters during the season were Patty Steckly, with a .345 batting average, Kelly Meyer — .306, Beth Bentrott — .300, Jane Sauer — .280, and Diane Steckly — .269.

Patty Steckly led the team with 19 hits. Diane Steckly scored the most runs which was 18. Sue Broulik led with 17 Runs Batted In. Jane Sauer and Beth Bentrott each had 11 walks.

"The girls softball team showed improvement in both offense and defense for the 1977 season.

Defensively, errors were cut in half and runs allowed by \(\frac{1}{3} \). The statistics resulted in closer games but still left a disappointing 6 wins.

Offensively the batting averages were down but also the strikouts were cut drastically. Runs scored were up from last year.

With 9 returning letterwinners and stronger pitching, the softball team should be a strong opponent for any team in the Conference next year."

The 1977 baseball team consisted of: Front Row, L to R: Jeff Walshire, Doug Taylor, Gary Whitman, Jim Herr, Kent Williams, Kerry Koch, Bill Klein and Mark Proctor. Back Row: Coach Jackson, Jack Robinson, Mark Coppess, Stan Roush, Galen Brendes, Russ Bequeaith, Mike Long and Alex Taylor.

With eight returning lettermen from the previous year, the Panthers started their season optimistically. The Panthers were fairly successful as they had a conference record of 5-5 and an overall record of 11-9.

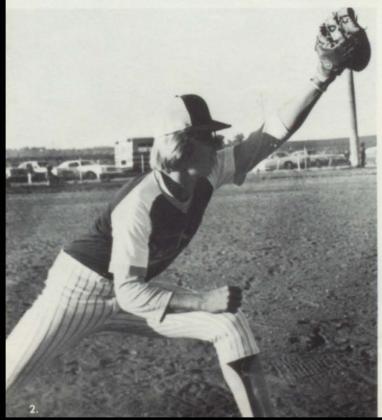

The season was an exciting one as 9 of the 20 games played were decided by a single run. The Panthers were fortunate to win 6 of the 9, also six of these games were decided in the last inning.

Lincoln's pitching staff was led by Jack Robinson (6-4) and Russ Bequeaith (2-3). Leading hitters included:

Kent Williams	.353		
Jeff Walshire	.289		
Stan Roush	.277		
Russ Bequeaith	.277		
Jack Robinson	.265		

All-Conference honors went to Stan Roush — 1st team, Jack Robinson — 2nd team, and Russ Bequeaith — Honorable Mention.

Coach Jackson replied, "We are looking forward to our '78 squad as a highly competitive unit as we'll have many experienced players returning."

1977 turned out to be a good year for the Varsity Girls Volleyball team as it was the most successful season ever. The girls had a match record of 17 wins and 8 losses.

The girls placed 3rd in the Lincoln Invitational. They were also rated 16th in the state at the end of the season. Nineteen individual and team records were broken during the season.

Mrs. Plueger, the team's coach commented, "The offense was more consistent this season, generating a lot of excitement with some tremendous sets and spikes. The defense became quite stingy, allowing an average of 9.31 points per game."

Seven players will be graduating and will be missed next season. However with two returning lettermen and players from a Junior Varsity squad that completed a match record of 13 wins and 6 losses, Lincoln should be able to present another good team next season.

CHEERLEADERS: Front Row, L to R: Lisa Licht, Barb Ruchotzke, Patty Butler, JoAnn Ross, Pam Rhoads, Mary Butler, Lyn Wagner, and Sandy Dains. PLAYERS: 1st Row: Coy Wagner, Craig Kleppe, Todd Rouse, Donnie Schnipkoweit, Marty Waddel, Terry Eaker, Marty Hunt, Jeptha Randolph, and mgr. Cam Coppess. 2nd Row: Doug Taylor, Jack Sauer, Andy Kohl, Dan Kohl, Danny Wagner, Mark Hunt, Kerry Koch, Kent Williams, Dave Tenley, Pat Doser, and asst. coach Bob Keyser. 3rd Row: Karl Koch, Bill Yock, Gary Whitman, Paige Meyer, Jim Lang, Jim Horr, Rick Dains, Roger Kurth, Jay Albaugh, Steve McCullough, and head coach Jim Kirkton. 4th Row: Ass't Coach Dennis Hedlund, Mark Broulik, Joe Hunt, Ron Kurth, Dennis Schnipkoweit, Tom Koch, Kurt Oxley, Kirk Wenndt, Craig Schroeder, Russ Bequeaith and Rick Weber.

With a season full of many injuries a lot of underclassmen were pressed into action. But the remaining seniors showed great pride and leadership. The Panthers were fortunate to have 4 seniors named to the all-conference team.

Besides being selected as all-conference linebacker, Kerry Koch broke the school rushing record with 1505 yds. and career tackles with 154.

Two time all-conference QB, Kent Williams compiled 792 passing yards placing him 12th in the state in passing.

All conference tight-end, Russ Bequeaith became the fourth leading pass receiver in Lincoln history with 32 receptions for 639 yds.

Dan Kohl, all-conference center, ended his career with the fifth highest amount of tackles in a single season.

Lincoln had several close games including a 14-12 loss to Conference Champion Midland a 21-20 controversial loss to Lisbon.

With only 6 members of the squad lost to graduation, the Panthers promise to have a good future!

Returning lettermen for the 1977-78 season are: Front Row, L to R: Jeptha Randolph, Joe Hunt, and Jim Horr. Back Row: Dennis Schnipkoweit, Andy Kohl, and Mark Broulik.

J. V. Football

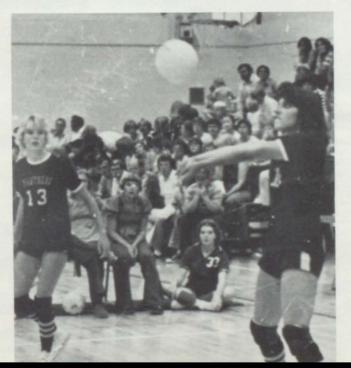

The J.V. Football season for Lincoln was one of disappointment with winning only one game, but one of great expectation for next year. J.V. consisted of only freshmen and a few sophomores because of the need for varsity players. This means that the prospect for next year's season for both J.V. and Varsity will be good because of the playing experience the players will have had and not forgetting the upcoming freshmen from Jr. High.

LINCOLN GRAPPLERS

Girls varsity basketball members for 1977 were: L to R: Mgr. Kathy Weber, Mgr. Tammy Thomson, Rhonda Hegarty, Carol Pruess, Patty Steckley, Denise Cook, Beth Bentrott, Tracy Donohue, Chris Ropa, Sandy Hoy, Mary Bentrott, Dawn Worby, Kelly Meyer, Denise Soteros, Mgr. Becky Sheldon, and Mgr. Brenda Wagner. In Back is Statistician Chris Plueger, Coach (assistant) Jim Wendel, and Head Coach Ray Linder.

Sitting on the floor is Dawn Worby, who was the leading rebounder concealed behind a Regis forward is Denise Soteros a third team all-Conference guard. Denis Cook is getting ready for the rebound.

The Girls Varsity Basketball squad finished a tough season with a 6-13 record overall and a 2-8 record in Wapsie Conference play. This losing season didn't typify the talent which the team had. The Pantherettes played in a conference which had two teams ranked in the top twenty of state (Midland and Delwood). The Pantherettes were led in scoring by Patty Steckly, who averaged 19 points followed by Kelly Meyer, Tracy Donahue, and Carol Pruess.

The girls J.V. team finished their season with a 7-8 record. This year the squad consisted only of freshmen and sophomores. For the first part of the season Panthers were a timid and conserva-

tive ball club. However as the season progressed, skill and teamwork developed. The team held their opponents to a 39.5 points per game average.

Front Row, L to R: Todd Rouse, Craig Kleppe, Steve McCullough, Phil Railsback, Kelvin Fisher, Rod Marlatt. Back Row: Terry Horner, Mark Jurgensen, Pat Doser, Ron Skow, Tom Koch, Dean Bentrott, Kurt Oxley.

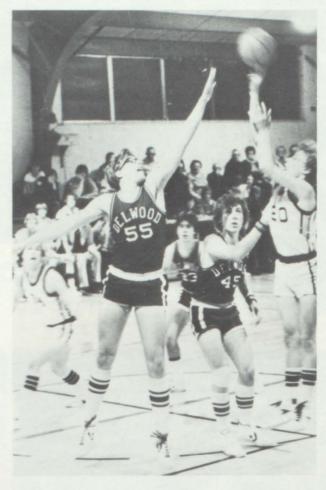

The 1977-78 J.V. Boys Basketball team began the season slowly (2-6), but finished very strong by winning 5 of their last 6 games. The team was a very physical team that averaged 39.9 points offensively while yielding 42.3 points on defense.

Coach Keyser commented, "If these boys practice their shooting and ballhandling in the off season by the time they are seniors, they could have a very fine basketball team."

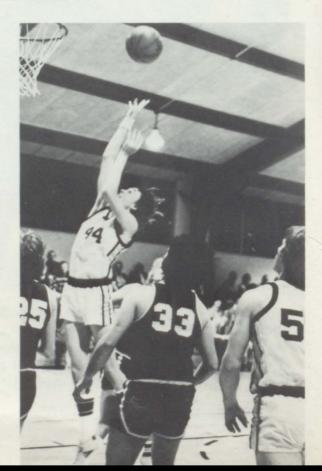

Anyone would have to admit that wearing goggles and gloves isn't part of a routine basketball practice. However, when Dennis Hedlund became the new head coach this past year, new ideas spread throughout the basketball season. The team members shared in his enthusiasm making the season a rewarding and enjoyable one. The team lacked in experience with Senior Russ Bequeaith being the only returning letterman. Russ led the team with a 12.6 game point average and 169 season rebounds. He was selected most valuable player with help from best defensive player Rick Weber and Bruce Seehusen who led the team with 28 assists. Starting Juniors, Galen Brendes and Jeff Walshire contributed 158 and 36 rebounds respectively. Welshire also lent a hand with 17 assists.

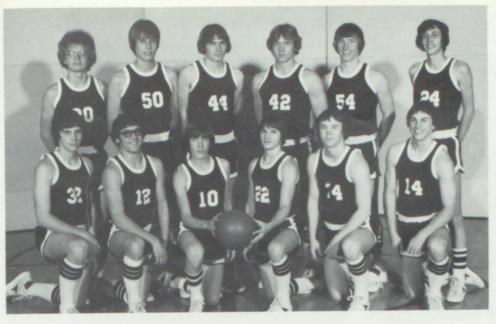

Next year the Panthers will have 3 returning starters along with an experienced bench. Jim Horr will be of help as he was selected most improved player.

Determination is the key word for Patty Steckley and the shuttle hurdle relay team.

Senior Denise Cook illustrates that form is a major factor in throwing as she broke the discus school record with a throw of 114' 10".

Kym Speer hands off to Chris Ropa enroute to another victory (top left). Sandy Unruh shows her form (top right). The girls show why their # 1 (right). Kay Robinson stretches out to hand the baton to Carol Pruess (below).

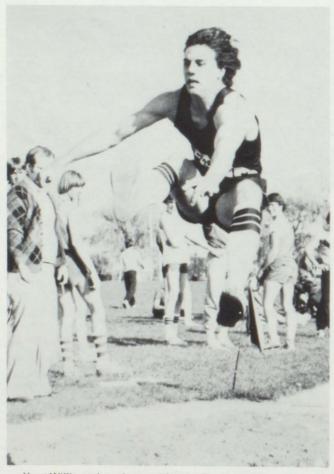

The 1978 Lincoln girls track team had a very good year. Through the course of the regular season six new school records were established. The Pantherettes were also successful in establishing a decade of dominance. Winning the Wapsie title for the 10th consecutive year and the Mideast for the 4th consecutive year. Districts were a proud moment for the girls as they captured the title and sent nine girls to state in six eyents. At state the Pantherettes managed to win three events and place second in the other three. This fine showing by the girls rewarded them as the state class A runnersup.

Front Row: Paige Meyer, Ron Skow, Ken Koob, Rod Marlatt, Jeptha Randolph, Larry Domer, Ron Kurth, Danny Wagner. Back Row: Karl Koch, Bill Mindham, Kevin Brannaman, Russ Bequeaith, Galen Brendes, Gary Whitman, Pat Doser, Mr. Linder, Kent Williams, Kerry Koch.

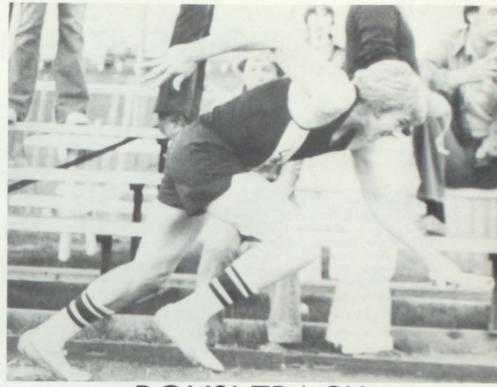

Kent Williams long jumped for the Panthers this season.

BOYS' TRACK

Pat Doser (at top of page) and Kerry Koch (above) display their skill in the respective field events.

The 1978 Lincoln Boys track squad consisted of eighteen hard working, dedicated young men. Highlights of the season were a 1st placing in the Swampsie Relays and a 2nd in Wapsie Conference. Although no one made it to state, Lincoln had a promising Mile Medley relay team and some very good individual performances.

GIRLS' STATE TRACK

State participants in the Front Row are: Kym Speér, Chris Ropa, Wendy Unruh, Nancy Weber, Kay Robinson, Kelly Meyer, Beth Bentrott, Sandy Unruh, Patty Steckley and alternate Mary Bentrott. Behind them are the rest of the girls track squad and Coach Bob Jensen.

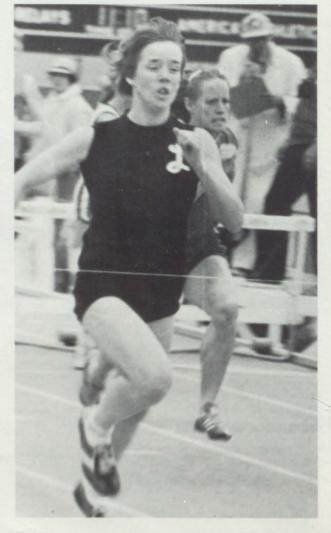

"Solid," is the one word coach Bob Jensen used in describing his 1978 girls track squad. And solid they were as the girls captured 2nd place in class A of the state championships. The Pantherettes sent nine girls to state, participating in 6 events. All six events made it to the finals.

Lincoln's scoring started out when Kym Speer won the long jump with a leap of 17'1" on her last attempt. Another 1st came in the 10-flight shuddle hurdle relay when Lincoln's team consisting of Kelly Meyer, Patty Steckley, Sandy Unruh, and Beth Bentrott took the event with a time of 1:05.1.

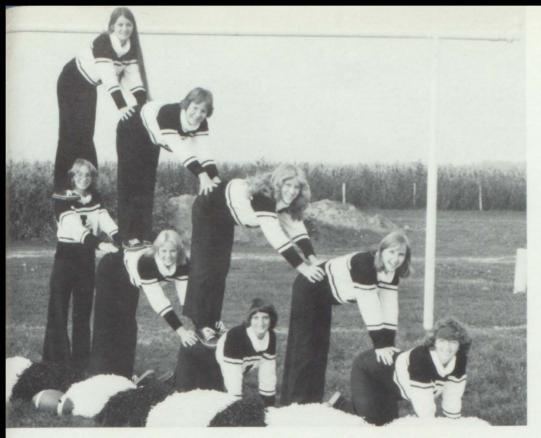

The other championship event for Lincoln was the 800 meter relay. Kym Speer, Chris Ropa, Nancy Weber and Wendy Unruh made up the winning team as these girls ran the 800 meters in 1:46.1.

Other team points came in the 400 meter relay, 100 meter hurdles and the 200 meter hurdles. The 400 meter relay team made up of Kay Robinson, Speer, Weber and W. Unruh took 2nd place in a time of 51.3. The 100 meter hurdles saw two Lincoln girls in the finals. They were Kelly Meyer, who finished 8th and Beth Bentrott who finished 2nd with a time of 14.5. Bentrott again finished 2nd in the 200 meter hurdles with a time of 29.5.

Bentrott was involved in three events, capturing one 1st place and two 2nd places while Kym Speer did even better. She, also, was involved in three events but received two 1st places and one 2nd.

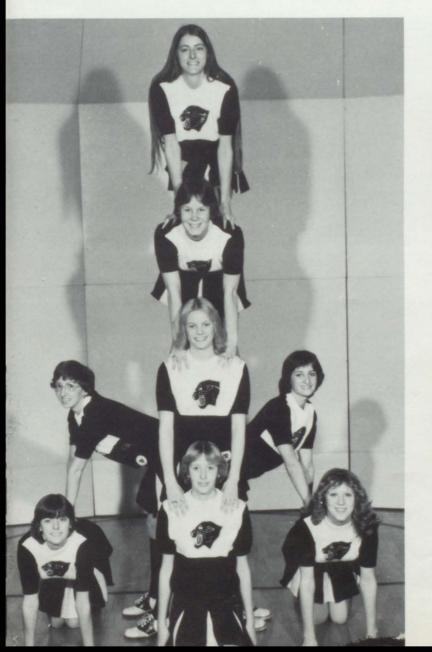

Beth Bentrott shows why she participated in three events at state.

Individual Speech Contest was held at Anamusa on February 25. There were four contestants. Belen Sainz de Vicuna in the Humorous Division reciting "The Waltz." Sara Kuenhle recited "I Never Promised You a Rose Garden" and Kay Robinson presented "Being There" in Interpretive Prose. Other participants were Matt Polhamus in Radio News and Sandy Benge in Expository. Belen, Sara, Kay, and Matt received 1 ratings and Sandy got a 2 rating.

March 18 at Ottumwa High School, the State Speech Contest was held. Sara and Kay both received 2 ratings. Belen received a 1 rating — receiving three 1's and which is the best possible. They stayed overnight at the Village Inn and Belen was treated to a movie.

District Group Contest was held on January 21 at Monticello. Lincoln took two entries: Shelly Hunt and Sara Kuenhle in Duet Acting and a Reader's Theater titled "Sean," The Fool, The Devil and The Cats." The Duet Acting received a 1 rating and the Reader's Theater received a 2 rating.

At State Group Contest Sara and Shelly received a 2 rating, missing a 1 rating by 1 point.

Speech had some problems with students getting sick and thus were unable to go to contest. Robin Seeley and Cam Coppess were two that were unable to present their acts.

We think that the speech participants did a really good job in representing Lincoln and we hope it continues in the years to come.

FFA — WE'RE NOT GETTING OLDER, WE'RE GETTING BETTER!

"This meeting will now come to order!"

The year of 1977-78 seems to have been a good one for the Lincoln Chapter of FFA. They had many judging teams which received first and second in several contests.

Members also have exhibited steers and placed in carcass shows and some who had placed in the hog show of mid-year.

FFA not only deals with animals, but also with fruit and rat bait sales, and record books, which prove to be very important if you want to make money.

The Lincoln Chapter has done very well in the Golden Anniv. of the Future Farmers of America and hopes to do even better in the years to come. It may seem to have been a golden past, but it looks to be a brighter future for the Lincoln FFA!

CLUB

L Club consists of all the high school students who have won letters in athletics or musical activities. You earn a letter by a point system. When you place in competition you earn a certain number of points depending on where you placed. You have to accumulate so many points before you can receive a letter. There are two letters; a J.V. or minor letter and a major letter. It takes less points to earn a minor letter so it is smaller than a major letter. In sports the letters are in the shape of a "L." In music

This year's L-Club did not have initiation but there was a combined picnic for all Student Council and L-Club members held at Lake McBride.

This year Pep Club had two changes from last year. The first is that it has a new advisor, Mr. Athey, who just started teaching at Lincoln. Secondly, having pep buses stop at the Happy Joe's in Dewitt before continuing on to the football game was such a success that it was repeated after the Girl's Basketball Sectionals in Cedar Rapids. The Pep Club gave our teams a lot of support this year and we hope that this continues in the future.

Our Fearless leaders.

Mmm, Mmm, Good!

The Lincoln Student Council this year kept everyone on their toes. The council organized Home-coming and managed the pop machines during the year. Student Council also sponsored a short presentation given to the Juniors and Seniors about giving blood, as one brave senior demonstrates above. Another activity was a co-sponsorship of a picnic to Lake McBride with the L-Club. Many members of both organizations (along with a few teachers) really enjoyed themselves. The student council did a good job this year, and we hope the future councils will do the same.

Senior Interviews were posted in the main hall trophy case. The yearbook was printed by Taylor Publishing Company. Students were assigned different pages of the yearbook to get done by a designated date. This year the advisor was Mr. Kirkton, All of us had fun putting the yearbook and Lincoln Log together and we hope everyone has enjoyed them both.

NATIONAL HONOR SOCIETY

The Lincoln Chapter of the National Honor Society was called together on April 18, 1978 at 10:00 a.m. A National Honor Society membership is a high honor. This gathering was called to recognize probationary, regular, and graduate members, who receive this honor, in front of friends and relatives.

To get into National Honor Society, a sophomore must have a grade point average of 3.0 for 3 consecutive semesters. Even if you have 3.0, getting all the way in the door depends on the graduate members voting you in. Once in, you must maintain that 3.0 or else you are dropped. A junior, that isn't in the society, must have 2 consecutive semesters of 3.0 grade point average.

Other than having a 3.0 grade point average, four other requirements have to be met. These are Scholarship, Service, Leadership, and Character. Scholarship means having grades that amount to a 3.0 or better. Leadership is to guide others, having the courage and strength to say "no" or "yes" decisively at a crucial moment. Service is what an individual does to aid the school, such as sports, band, chorus, etc. Character is how an individual behaves. Character is more lasting than wealth, fame, or power; it's the constant striving to uphold high ideals and honesty in daily contacts with others.

All these things have a lot to do with being a National Honor Society member. No matter what you do after graduation, just being a member will affect the rest of your life.

The 1977 Jr. High football teams this year were 0-5 for the 8th graders and 0-1 for the 7th graders.

Although the team as a whole lacked size, Mr. Wendel said individuals made improvement as the season went on. He also said he thinks the 8th graders will make a contribution to the high school football team next year and the 7th graders will have a better team from the experience they had this past year.

tals of ball handling and offensive and defensive play. Many hours

— Coach Jensen The junior high teams ended their seasons with relatively good records. The 7th grade team with a 4-2 win loss record and the 8th grade with a 3-3 record.

The 7th grade was led by Jane Kuenhle as leading scorer and offensive rebounder and Kathy Gutwiler as leading defensive rebounder.

Suzy Grimm led the 8th grade as leading scorer and offensive rebounder and Janet Gutwiler was leading defensive rebounder.

The junior high boys basketball teams improved a great deal over the course of the season. Their won-lost record is far from impressive, yet all the guys played in each of the games. The 7th graders went 1-6 while the 8th grade record was 0-7.

Leading scorers for each squad were Scott Merfeld and Robert Boysen — 33 for 7 games for the 7th grade team and Greg Taylor — 36 for 5 games for the 8th graders.

The rebounding was led by Scott Merfeld with 46 while Kevin Paulsen pulled down 34 for his team.

Because of our split season; wrestling before Christmas and basketball following, we had little time to prepare but the kids really improved the last few weeks of the seasons. I hope the 7th graders will continue to improve and I wish the 8th graders success as they go into either wrestling or basketball next year.

Individual awards went to Brad Marlatt (7-1) and Ben Griffith (7-1) with the Animals of the Year Award.

"This year's team, helped by the group of 8th grade boys out for the first time, proved that they could wrestle with anyone. Attitude and technique were both quite good with this year's squad. The boys were aggressive and hard-nosed.

This year's team should provide a good freshman nucleus for next year's varsity. After seeing this group in action I think I can truthfully say that the Lincoln program is on its way up for this is where we have to start. I only hope the boys continue to be as dedicated, positive and hard working, as they were this year." commented Coach Terry Lessmeier about this year's season.

"Twenty-six girls reported for track and twenty-five finished the season. We competed in six track meets. The girls found out that hard work each day in practice paid off as they continually lowered their times and improved their distances as the season went on. These gals continually put forth their best effort making them very enjoyable to work with."

The junior high boys track team consisted of sixteen seventh and eighth grade boys. Although, the boys never won any track meets they did show considerable improvement, as the season progressed. Each performer bettered previous times, distances, or heights, in his special events. The boys worked hard all season long, but the few numbers who made up the squad had a tough road performing against schools bigger than Lincoln with over twice as many team members.

The fourth grade is singing for the Christmas program under the direction of Mr. Heyer.

Wayne Schneidar, Roonie Rutan, and Chad Schaull are second graders hamming it up.

Dyeing Easter eggs was one of the activities that the first graders did before the day of their party. In the picture is Mrs. Inman and her first grade class. She is explaining how they will dye the eggs they brought in.

Steve Doser and John Lamont, fifth graders, had a saxophone duet during the Christmas program.

Ruel Kirstein, one of Mrs. Inman's first graders, is trying to guess who he is touching. That was one of the games they played during their Easter party.

In third grade you basically improve on skills learned in first and second grade. The items that are improved upon are: writing, addition, subtraction, telling time, and increasing vocabulary. Multiplication and division are some of the new items learned.

The afternoon Kindergartner's are enjoying listening to a story told by their teacher, Mrs. Long.

In the first year at school, a kindergartner learns a lot and does a lot. It is the year they learn how to tie their shoes and learn the basic sounds to help them when they learn to read in the next year. They also have parties on Halloween, Christmas, Valentine's Day, and on Easter. This year like in the past years, they got to take a ride on the firetruck.

Jill Gray, Shelly Mullan, Gina Brendes, Julie Lovell, Nicki Conley are having fun on the slide.

The fifth graders seem to be enjoying themselves singing with Mr. Heyer.

A familiar scene of the playground during recess. Jody Brendes is spending her recess playing catch.

Heather McCullough, Vicki Driscoll, Michelle Knutsen, Sheila Shriver are showing the class how to be sassy.

Kim Robinson is one of the many second-graders marching around for the Halloween Parade.
